

Fun, After-School Cooking Classes

Cooking With Andrea

December 2nd, 2011

Dear Parent/Guardian:

Winter hasn't quite arrived but it is definitely on its way. What is it about food at this time of year that invites us to sink into the sofa and indulge? To honour our seasonal need for something warm and cosy and comforting, I will be offering two **Winter Warmers Courses**, both of which will run for **6 WEEKS** and are open to girls in **Year 8 and 9**.

Wednesday Course - Begins January 4th, and finishes February 8th. (3-4:30pm)

Thursday Course - Begins January 5th, and finishes February 9th (3-4:30pm)

Winter Warmers.

Cheese. Potatoes. Chocolate. Bread. There are all sorts of ingredients that comfort us in the winter months when the skyline is dark and the weather is stormy. In this course the girls will be making some traditional comfort food such as homemade soup, and cheesy gratins. They will also learn how to cook some less familiar dishes like crispy potato pancakes and warm Welsh cakes. The emphasis, as always, will be on learning how to cook with quality ingredients in a fun atmosphere. This course will include a variety of savoury and sweet winter treats.

There are places for 16 students in each class. The cost for the 6-week course is £48 per girl. This includes tuition, ingredients, and an emailed recipe booklet.

There are a limited number of places available so if the courses are oversubscribed, names will be picked from a hat. If your daughter would like to take part in a cookery course, please complete the slip below and return it in an envelope with your cash/cheque to **Andrea Hosfeld via the school office post box by Monday, December 19th, 2011**. Your cheque will be returned if your daughter is unsuccessful in gaining a place on the course.

Kind Regards, Andrea Hosfeld (andrea hosfeld@hotmail.com)
